

PLANNING SECTION CHIEF, INCIDENT COMMAND SYSTEM TRAINING

OBTAIN AN INTERNATIONAL INCIDENT MANAGEMENT QUALIFICATION

Hosted by the Working on Fire Programme, an International team of highly qualified Incident Managers presents this new and unique training opportunity.

Planning plays a vital role in managing any incident, particularly large complex incidents. This course will provide consistent knowledge and a skill base for members of an Incident Management Team that are responsible for performing the Planning Function.

Course content includes:

- **Resource tracking, resource summaries and displays**
- **Situation summaries and displays**
- **Operation planning**
- **Incident action plans**
- **Incident meetings, briefings and information gathering.**
